from the desk of Warren Simon ...

## IAC Console V9.5 – Now Released By NEC!

*“CTI is committed to providing high quality applications and support exclusively to NEC and the Channel to help you win and retain customers.”*

### IAC Console V9.5 - Now Released and Being Shipped By NEC

**IAC Console** is *the* most Professional Attendant Console for NEC Customers on SV8500 and SV8300 systems

- Full support for Windows 7 32-bit and 64-bit
- Full suite of Standard Reports and *optional* Advanced Reports
- Local language support included with each IAC V9.5 licence (no additional cost)
  - o Initial release includes Chinese, Korean and Thai languages
  - o Other languages can be included upon request
- IAC V9.2 is still available for fault/fix and existing customers who are *adding* a V9.2 console

**IAC WebView** is a simple Web-based Phone Directory linked to the IAC Database

- A cost effective directory solution for NEC customers with *or without* IAC Consoles.

[ NEC Stock numbers for IAC Console: 8300802, 8300801, 8300800, 8312888, 8312887, 8312889 ]
